

6 November 2017

Dear Parents

The first examination period for this year is upcoming.

Please note that assessments throughout the term as well as the work produced in classes contribute towards a student's grade – not only the results of these examinations. Additional homework has been provided to further support the revision of these topics.

Finally this is not meant to cause any stress for the children or parents. These assessments will take place as part of their normal lessons. We do not want children to feel uneasy or worried about the assessments.

Please come and see or email us if you have any questions.

Regards,

Year 6 team.
