

21st May 2018

Dear Parents,

The second examination period for this year will be held on the week beginning Monday 11th of June 2018 and continue into the next week.

Please note that assessments throughout the term as well as the work produced in classes contribute towards a student's grade – not only the results of these examinations. Additional homework has been provided to further support the revision of these topics. Take note of the subjects that are relevant

Finally this is not meant to cause any stress for the children or parents. These assessments will take place as part of their normal lessons. We do not want children to feel uneasy or worried about the assessments.

Please come and see or email us if you have any questions.

Regards,

Mr Chris Terry
Vice Principal - Head of Secondary
