

6 November 2017

Dear Parents,

The first examination period for this year is upcoming.

At Straits International School we seek to maintain consistently the highest academic standards and we would encourage students to revise topics and practise skills at home to prepare for the examinations. Before the exams, students will be given clear guidance about how to perform well; students will also be given individual targets in each subject. Examinations for each subject will be scheduled within normal lessons.

We regard these examinations as an integral part of our assessment schedule. Following the examinations, we will provide precise guidance about how to make further progress.

Please come and see or email us if you have any questions.

Regards,

Mr Chris Terry
Head of Secondary School.
