

**HARIMAU**

## Harimau Primary - Mr. Dennis Lee

The young members of Harimau would like to introduce you to our new House Captain Iris Loh, and deputy Nathan Ooi for the year of 2019/20. I am confident they will lead the team with their absolute best. At our first House Meeting, both showed courage while leading their team; standing in front as Captain and Vice Captain for the very first time and getting everyone involved: it was spectacular! They brainstormed and created their house chant with a perfect 4/4 beat that displayed the strength and pride of Harimau and led a strong and passionate house cheer among the primary students. “Hey Ho! Harimau Lets Go! (Clap Clap)”.

## Harimau Secondary - Mr. Marc Edmonds

It is with great pride that I introduce to you Cassandra Lim, as Harimau House Captain and Jenny Ooi, as our Vice House Captain for the 2019/20 academic year. Harimau is a proud house, built upon the values of courage, bravery and tenacity. These are well represented by our house mascot, the tiger. A truly majestic creature and the real alpha species of the jungle. We have real belief that this is our year and all those that come before us will be greeted with the booming chants of “Hey ho Harimau, lets go”. #partoftheambush
