

Name of Activities: CRAFT CARDS

Year Group: Year 1

Day: Monday

Type of Activity: Craft

Teacher: Ms. Nassiha

Equipment Required: A4 Thick Paper, Colour Papers, Colour Pencils, Colourful Markers, Glue, Tape

Description of Activity (including goals):

Card making is the craft of hand-making greeting cards. Many people with interests in allied crafts such as scrapbooking and stamping have begun to use their skills to start making handmade cards.

There are many different variations of handmade cards including decoupage, more commonly known as 3D, where a design is printed a number of times, then various areas of the design are cut and layered on top of each other using double-sided sticky foam squares to mount the layers together to create the 3D effect making a very attractive greeting card.

Final Outcome:

Learning various types of craft cards.

Name of Activities: Simple Maths

Year Group: Year 1

Day: Friday

Type of Activity: Calculations

Teacher: Ms. Nassiha

Equipment Required: Pencils, Coloured Pencils,

Description of Activity (including goals):

Math is not difficult but rather one of the simplest subjects. If you think carefully, Math is just a combination of plus, minus, multiply and divide and by manipulations of these 4 operations, we are able to answer the questions. This way Math becomes fun since it's like playing with the 4 operations and numbers.

Final Outcome:

Developing mathematical skills
